Tel: 01942 260182

We've moved to the building formally known as Lowton Test Centre on the Moss Industrial Estate.

From our old garage, follow St Helens Road A572 towards St Helens & Warrington.

After quarter of a mile turn right at My Pets Vets onto the Moss Industrial estate and follow the road, bending left at the top then straight down until you see the garage on your right.

Don't worry if you miss this turning. You can also turn right at the Church Inn which is just another quarter of a mile up the road, then take your second right onto Walter Leigh way. Just through the gates you will see the garage straight in front of you.
